Bozhidar Bozhidarov Ivanov

Sofia, Bulgaria | +359 884903019 | ivanov.bozhidar.b@gmail.com

Skills

- Languages: HTML, CSS, JavaScript, SQL
- Tools: GitHub, Git, Figma, Adobe Photoshop
- Good knowledge of **OOP & SOLID, Design Principles, Data Structures & Algorithms**
- Strong command of **English**, both spoken and written.

Technical Experience

Projects:

Personal Website - misterbunnydev.web.app
- Developed and designed a personal website to showcase my portfolio and skills.
- Received positive feedback from visitors on the website's visual appeal, functionality, and ease of navigation.
- Utilized HTML, CSS, and JavaScript to build the website from scratch, demonstrating proficiency in front-end development.

Education

Professional Modules:
- JavaScript Web Developer Software University - **SoftUni** | 2022
- Java Web Developer Software University - **SoftUni** | 2021-2022

Other

Outside of my working hours I like to play video games and read books. Also I actively do sports and like to engage in activities that bring me joy, such as drawing.
